RE: January 2011 Monthly Report

During the month of January the West Lafayette Police Department received **2113 calls for service**, an increase of 171 calls (9%) from December, and an increase of 605 calls (40%) from January 2010. The substantial increase of weather related calls the last two months accounts for most of the 43% increase in calls for service (1229) versus last year during these same months.

The WLPD conducted a Rape Aggression Defense (RAD) course in January where 15 women completed the popular 12 hour course over three evenings of instruction. The department will offer several more public safety awareness classes of this type in 2011 for women and children.

Officer Adam Ferguson represented the WLPD on January 22nd outside Mackey Arena in the Polar Plunge fund raiser for Indiana Special Olympics. Officer Ferguson's disregard for personal warmth and common sense raised hundreds of dollars for this worthy cause.
